

Art Agency, Partners

Art Agency, Partners is a bespoke art advisory firm founded in 2014, and built upon decades of combined experience, to provide counsel to many of the world's leading art collectors and institutions on collection assessment and development, estate planning, and innovative approaches to museum giving and growth.

America—What's in a Name?

Coming to Grips with the American in Latin American Art

A mammoth art event is opening at virtually all the museums in Southern California this weekend, Pacific Standard Time: LA/LA, an ambitious exploration of Latin American and Latino art in dialogue with Los Angeles (until January 2018). I didn't know much about art from Latin America (nor have much curiosity for it) until around 14 years ago when I was asked by the Brazilian collector Bernardo Paz to help him form the thought process and programming for a museum.
